Lets draw something!

Shapes

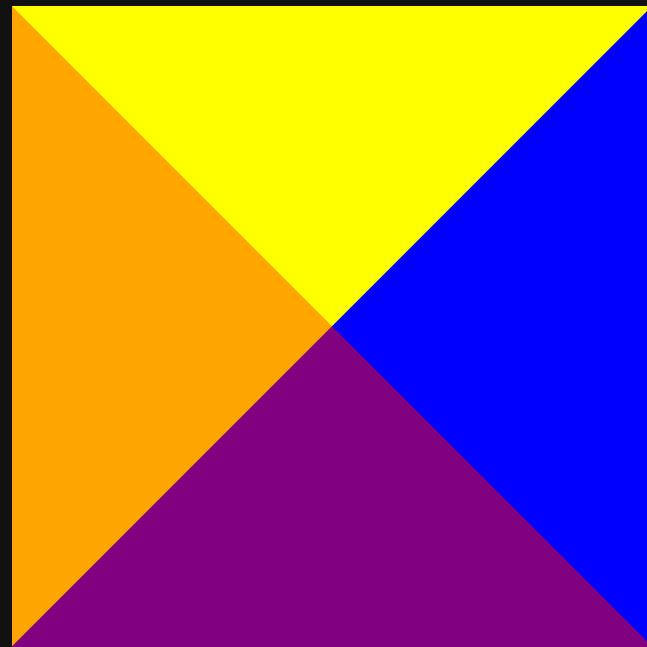

Rectangles

```
.rectangle {  
width: 20rem;  
height: 20rem;  
}
```

Triangles

```
.triangle {  
border-top: 10rem solid yellow;  
border-left: 10rem solid orange;  
border-bottom: 10rem solid purple;  
border-right: 10rem solid blue;  
}
```

Pseudo Elements

:before & :after

before

after

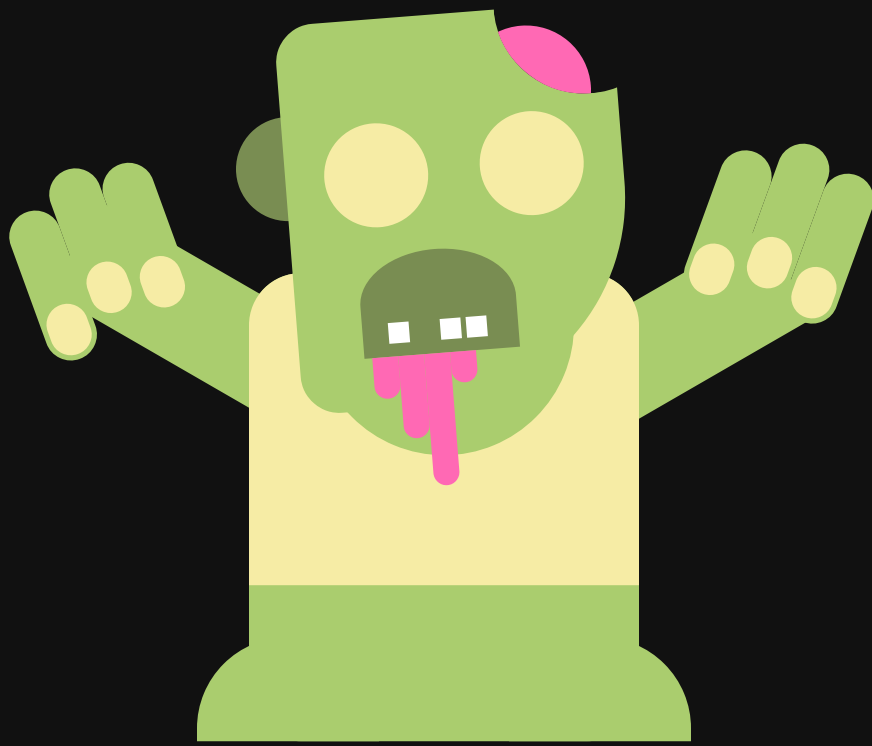

I'm a 1 div tooltip!

Box-Shadow

```
.eye {  
  box-shadow: 0px 0px 0px #798d52,  
             inset 0px 0px 0px #798d52;  
}
```
